Mr. McCaulley;

Thank you for your training submission to FAI. I have reviewed GMIG's Contracting officer's Representative level I course material and provided recommendations and comments on the material to Mark Pierce in a separate email, Dec 5, 2013.

The GMIG COR Level I course maps to the FAC-COR overarching competencies and aligns with the FAC-COR Level I performance outcomes.

If you have any questions, please don't hesitate to contact me.

Best Regards

Robert J. Faulk
