

Evidence of Material Compliance Verification

The following is an email from Mr. Faulk of FAI regarding the verification of GMIG's COR training materials. GMIG has also included with this communicate a copy of the DAU certification for GMIG's COR training materials.

Faulk, Robert <Bob.Faulk@fai.gov>

Gentlemen,

I appreciate the call this afternoon and the clarification that your COR course has already been reviewed by DAU and considered equivalent to the DAU 222 course. With that equivalency, I do not need to review the courseware.

Best Regards.

Bob
